PURPOSE

We aim to ensure families gain a clear understanding of the Service requirements when withdrawing their child.

SCOPE

This policy applies to families and management of the Service.

IMPLEMENTATION

Families are to be made aware during the enrolment and orientation process about the Service requirements should they wish to withdraw their child from the Service.

Withdrawing from the Service

- Families are required to provide management with 2 weeks written notice when withdrawing their child from the Service.

- The letter must state:
 - the date they are writing the withdrawal notice
 - the child's last day of attendance
- Withdrawal Notice can be emailed or handed to management.
- This letter will be placed into the child's file and archived once they have left the Service.
- Management will add an end date into the Service software program to ensure compliance with Centrelink.
- Fees will be charged up to the end of the two weeks from the date at which notice was received in writing, whether or not the child has attended the Service during those 2 weeks.
- A final account is to be processed by administration and noted on the withdrawal form. The final account is to be issued immediately to the family advising that payment is due.
- A copy of the final account and withdrawal form is to be kept in child's file.
- If payment has not been received the debt recovery process is to start immediately.
- At the end of the enrolment and if all criteria regarding fees and notice of withdrawal have been met, then the initial Bond payment made on enrolment will be refunded to the family within 2 weeks after the child's last day.
- If at any stage of the enrolment it is felt that it is necessary to discuss the viability of the enrolment due to a concern of the duty of care to the child or other children in our care, the Service will immediately contact the Parent/Authorised Person/s to discuss all options. This may include the withdrawal of the enrolment.
